Presenters include:

- Esie Leoso-Corbine, Bad River Band of Lake Superior Chippewa Tribe, Odanah
- Rev. Kathleen Kelly-Hoffman, Buddhist-Zen Priest, Green Bay
- Rabbi Marc Berkson, Congregation Emanuel Bnei Jeshurun, Milwaukee

As the consequences of climate change become all too obvious; as we take action to reduce our own carbon emissions; and as we work for sustainable energy and climate policies, we need spiritual sustenance and the support of companions on our journey.

These calls will include prayers offered by religious leaders from varied faith traditions, followed by time for comments, sharing, and other responses.

We invite you to be part of these calls. Register [HERE](#) or e-mail us at info@WisconsinIPL.org and we will send you the call-in and other information.

If you are a member of the clergy or leadership in your faith community, and would like to lead a prayer in a future teleconference, please let us know at info@WisconsinIPL.org!
