[Wisconsin Interfaith Power and Light](#) and the [Islamic Environmental Group of Wisconsin](#) are hosting a series of conference calls in which people from all over Wisconsin can join in praying for a just, healthy, and sustainable future for all.

As the consequences of climate change become all too obvious; as we take action to reduce our own carbon emissions; and as we work for sustainable energy and climate policies, we need spiritual sustenance and the support of companions on our journey.

These calls (lasting one half-hour or less) will include prayers offered by religious leaders from varied faith traditions, followed by time for comments, sharing, and other responses.

We invite you to be part of these calls. Register [HERE](#) or e-mail us at info@WisconsinIPL.org and we will send you the call-in and other information.

Presenters include:

- Rev. Kathleen Kelly-Hoffman, Zen Priest (Buddhist), Green Bay
- Rabbi Marc Berkson, Congregation Emanuel Bnei Jeshurun, Milwaukee
- Rev. Steve Jerbi, All Peoples Church, Milwaukee
- Rev. John Helt, St. Paul's United Church of Christ, Colgate
- Rev. Karen Hagen, Tippecanoe Presbyterian Church, Bayview
