

WISCONSIN INTERFAITH POWER & LIGHT

<http://www.WisconsinIPL.org>

The mission of **Wisconsin Interfaith Power and Light** shall be to inform, train, and activate people of all faiths and faith communities to take concrete steps in response to climate change through the promotion of energy conservation, energy efficiency and renewable energy in order to protect Earth's ecosystems, safeguard public health, and ensure just, sufficient and sustainable energy for all.

CONGREGATIONAL COVENANT

As a spiritual leader of my congregation, I pledge to support the mission of Wisconsin Interfaith Power and Light and to do one or more of the following: (Check the blanks that match your congregation's goals. You do NOT have to check all of them in order to submit the Covenant).

- Engage in an ongoing process of education with our congregants concerning environmental stewardship, energy production and usage in relation to climate change.
- Conduct an energy audit of our buildings to identify sources of energy waste and the potential financial savings of energy related improvements.
- Make energy efficiency improvements to our congregation's buildings.
- Utilize renewable energy by purchasing green power, installing solar panels, or contributing to a wind turbine fund.
- Analyze, reduce, and offset our greenhouse gas emissions with the goal of becoming a non-polluting congregation.
- Support public policies that contribute to WIPL's mission.
