

WISCONSIN INTERFAITH POWER & LIGHT

<http://www.WisconsinIPL.org>

The mission of **Wisconsin Interfaith Power and Light** shall be to inform, train, and activate people of all faiths and faith communities to take concrete steps in response to climate change through the promotion of energy conservation, energy efficiency and renewable energy in order to protect Earth's ecosystems, safeguard public health, and ensure just, sufficient and sustainable energy for all.

INDIVIDUAL COVENANT

I pledge to support the mission of Wisconsin Interfaith Power and Light and to do one or more of the following: (Check the blanks that match your goals. You do NOT have to check all of them in order to submit the Covenant).

- Learn about climate change, environmental stewardship, and energy production and use.
- Conduct an energy audit of my home to identify ways to conserve energy and save money, and act on them.
- Make energy efficiency improvements to my home.
- Use renewable energy by buying green power, or by installing solar panels or other clean energy technology.
- Reduce, and offset my greenhouse gas emissions with the goal of becoming a non-polluting household.
- Contact my state, federal or local officials in support of public policies that contribute to WIPL's mission.
- Help form or join an existing Green Team or Environmental Stewardship Committee in my congregation.
- Lead or support an educational program in my congregation on care of the earth and climate change.
- Make a financial contribution to Wisconsin Interfaith Power and Light

Wisconsin IPL's website www.WisconsinIPL.org has information and links to help you carry out your pledge.
